NO HARD FEELINGS.

A man about forty-five years old, having three new spruce trees tied up with a string and his arm, was on the train at South's Center, and as he passed down the car to find a seat, a passenger who was considerably younger and who also appeared to be a farmer, called out:

"Wall, I declare, but who expected to see you here! How are ye, Jim Tompson?"

"Oh, tolerable well, considering," was the reply of the new-comer. "How's all your folks?"

"Able to be around, thank ye. Gottin' ready to sharpen up, I see?"

"Yes, I've heard it."

"Look here, Jim, I want to talk to ye a minute. Folks is tellin' round that ye'n is mad as a hatter on an other ready to fight."

"Yes, I've heard it."

"How's her health?"

"Improvin' right along all the time."

"Glad to hear it. Willin' to get up in the mornin'?"

"Perfectly willing!"

"Kick any 'bout milkin' the cows and feedin' the hogs?"

"Not a bit. I'm glad on it. We couldn't hick, but I ain't got a word to say agin 'em. Somebody had to marry 'em, and it might as well be you as any one else. Don't you mind what folks say, 'cause you ain't got no more to say agin 'em, and as soon as I get here, you'll see I'm all right."

An Exciting Game Between the Bank Clerks and the Y. M. C. A. Club.

The fourth game in the Grand Rapids amateur base ball league was played yesterday afternoon at 4:30 between the bankers and Y. M. C. A. at the association Outing park.

It was almost free from errors, and one that would have delighted everyone who has any appreciation of the well-played game. Paul Gibson did some splendid work as pitcher for the Y. M. C. A. team, striking out over a half dozen of the bankers, who were bowled over by his skillful throw. A slight accident occurred in the latter part of the seventh inning. Clark Byrdie received a running blow from the pitcher and the ball was obliged to withdraw.

The game was played at 6:15 with the following score by inning:

Bankers 1 0 3 4 6 7  
Y. M. C. A. 0 0 2 2 2 2  
Batting—McDowell and Ewing, Gibson and Byrdie.

THE PIONEERS' PICNIC.

A Very Large Gathering at Reed's Lake.

Presentation of a Purse and Bouquet of Flowers to Aunt Hattie Burton.

The old settlers' annual picnic at Reed's lake yesterday was, with one exception, the largest ever held by the association. The mass of people did not begin to assemble until the afternoon, when they came by the hundreds.

The exercises were opened shortly after 2 o'clock by Perita V. Fox, who acted in place of Dr. Charles Shepard, the president, who was unavoidably absent. The opening number was the hymn "America," which was led by Messrs. L. P. Eddy, Geo. D. Herrick and Mesdames Shedd and Fatten, and joined in the chorus by the audience.

The song was followed by prayer led by Rev. W. W. Johnson, after which Rev. E. C. Crawford delivered a poem on his golden wedding. The Glee club rendered a couple of excellent selections, which were followed by the address of the day delivered by E. G. D. Holden. Rev. W. W. Johnson was in his element in a short impromptu talk which was met with a fervor in singing "Auld Lang Syne."

The most interesting feature of the occasion was the presentation of a purse of money and a beautiful bouquet of flowers to Aunt Hattie Burton, first wife of Grand Rapids. The money was collected and presented by Mrs. T. D. Holden, who was a conspicuous feature in the recipient.

After the closing of the exercises the folks gathered in groups and relative reminiscences until dinner was announced, and after dinner was disposed of the old men smoked their pipes and cigars and the women related possible incidents of their "olden" place which occurred many years ago.

DR. DAVIS' RIGHT.

Twenty-seventh Annual Meeting of the State Allopathic Medical Society.

Exposure of the Fraud of the Allopathic Practice.

Dr. Davis of Chicago Strongly Denounces the Use of Stimulants and Narcotics.

INCONSISTENCIES OF THE ALLOPATHIC TREATMENT.

Reports of the Doings of the Michigan Allopathic State Medical Society at Their Annual Meeting in Flint, Mich., Taken from the Detroit Free Press, With Additions, Digressions, and Remarks by the Author of Them.

"After the mayor's address President Ranney introduced the venerable Dr. N. S. Davis, of Chicago, distinguished medical author and the founder of the American Medical Association and president of the International Medical Congress. (See Detroit Free Press, May 6, third page, first column).

"Dr. Davis spoke for several minutes in a general way and pointed out the advantage of making use of every minute's time during the convention."

"Dr. Davis, of Chicago, read an interesting and instructive paper upon 'the inconsistency of the medical practice,' in which he advised the total tabooing of stimulants and narcotics in all diseases, claiming that the bad effects of these more than equaled the seeming betterment of a patient's condition immediately after their use.

Dr. Davis was roundly applauded for his scholarly and pointed way of handling his topic."

They then adjourned to use stimulants and narcotics as before, knowing the injurious effect on their health and life.

A Digression—The Pickpockets Have It. How nice it would sound if 400 professional pickpockets should meet in a large hall and the oldest of their number (and too old to pick pockets with safety) should get up and say:

"Gentlemen, it is very wrong to pick pockets," and the others say with one voice:

"Yes, it is very wrong." Old Member—"It is very wicked to pick pockets, gentlemen."

Chorus from the others—"Yes, it is very wicked, to be sure."

Old Member—"It is against the financial interests of those whose pockets we pick, gentlemen."

Chorus Other Members—"Yes, it is, that is a fact."

Old Member—"Gentlemen, I am overpowered with the brilliant idea that it becomes very inconvenient sometimes to those whose pocket we pick."

Chorus, Other Members—"Yes, it is quite inconvenient sometimes."

Then loud cheers, great applause, as the whole set of thieves are greatly amused at the scholarly and pointed manner in which the Old Member speaks.

Then they adjourned to pick pockets as before.

Dr. Davis is somewhat surprised at the principles he advocates, but is not Dr. Davis's patient?

Has he not at this late date, after Dr. S. Clay Todd, the famous specialist of Grand Rapids, Mich., has published the same ideas for thirty years, just now undertaken to gain a free advertisement by lecturing before his medical society, against the use of stimulants and narcotics?

The public will find the same ideas in Dr. S. Clay Todd's advertisements for thirty years, and they have just been discovered by Dr. Davis, who has possibly been reading the Grand Rapids Morning Press since he arrived in Michigan.

But it will be of no use to any one but Dr. Davis. He can make the public believe he is a follower of Dr. S. Clay Todd and in no relation to his former practice by his allopathic brethren; but his associates, the allopathic physicians, although they loudly applaud his remarks, cannot carry out his precepts and do not intend to, as they could not practice an hour without the use of stimulants and narcotics, both.

Then they away and the Allopaths or Regulars, as they call themselves, have nothing left; they would have to go to the hospital.

Stimulants and narcotics are the curse of the Allopathic practice and show their effects on almost all their patients, and talking against them will not deceive the public.

Dr. Davis leaves his associates in the same situation that Col. Bob Ingersoll does his hearers. Colonel Bob tells them how they can escape religion, but gives them nothing to take the place of it.
