<b>Abstract</b>	<p>The Grand Rapids Chamber of Commerce was founded in 1887 as the Grand Rapids Board of Trade. The name was changed to Grand Rapids Association of Commerce in 1911, and to Chamber of Commerce in 1943. The Grand Rapids Chamber of Commerce Records include the minutes, financial and other records, scrapbooks, photographs and publications of the organization, 1888-1991. The papers detail activities of the Chamber as it tried to improve the business environment in Grand Rapids, to enhance the city's image, to offer assistance to businesses and to help plan city economic and physical growth. The minutes and records also depict the Chamber's internal operations, especially in generating policies and establishing community-wide goals.</p>

## **Biographical/Historical note**

---

The Grand Rapids Chamber of Commerce was founded in 1887 as the Grand Rapids Board of Trade. The name was changed to Grand Rapids Association of Commerce in 1911, and to Chamber of Commerce in 1943. The Chamber is composed of local businessmen from throughout the community and its funding base is local. The Chamber is loosely affiliated with the national and state organizations.

Since its founding, the organization has attempted both to improve Grand Rapids and to promote the advantages of the city to non-residents. Though the Chamber's primary interest has been improving business conditions, the Chamber has taken a very broad view about what makes a community desirable to business. Thus the records, photographs and publications show the Chamber involved in a whole series of activities, including education, public health, governmental organization and efficiency, transportation, housing, public welfare - literally everything from railroad freight rates to the statues placed in parks. The Chamber has included the most able of the community's business leaders from its inception, and has been a major force in the city's economic and social fabric. The Chamber continues in the tradition established by its early leaders.

### Series II. Minutes

#### Scope and Contents note

Subseries A. MINUTES OF DIRECTORS' MEETINGS: Consists of the minutes of the Board of Directors, 1895 to 1946. Vol. B, p. 251 also includes Miscellaneous Committee Minutes 1898-1903. The 30 volumes in the series document both the internal workings of the organization and its responses to outside conditions. Arranged chronologically.

**Subseries A. MINUTES OF THE DIRECTORS' MEETINGS**

Suberies B. MISCELLANEOUS COMMITTEE MINUTES: Consists of the minutes of miscellaneous committees, 1903-1946. For Minutes 1898-1903, see Vol. B, p. 251. The manner in which the committee minutes were bound for 1909 to 1929 is extremely disorganized. After 1929 the committee minutes were bound chronologically. The arrangement in the series echoes the haphazard binding scheme. The minutes reflect the responses of the Chamber to particular problems or goals as perceived by the organization. Arranged chronologically.

Subseries C. WHOLESALE DEPARTMENT COMMITTEE MINUTES: Consists of bound committee minutes from 1917-1925. Arranged chronologically.

**Series XIII. PHOTOGRAPHS****Series XIII. PHOTOGRAPHS****Scope and Contents note**

This series includes images of people, activities and events that involved the Chamber of Commerce. There are photographs portraying the history and development of the city, the majority of which pertain to the business environment and the industrial sector. There are also numerous photographs of prominent individuals, e.g. President Ford and Senator Vandenberg, and staff members of the Chamber of Commerce. Images primarily cover the 1950s to 1980s.

Subseries A. People: See also the Chamber of Commerce President's series below. Arranged Alphabetically by last name.

Subseries B. Subjects

Subseries C. Chamber of Commerce photographs found in Coll. 054 and transferred to Coll. 046 in April 2004. Some of these images may have come to the Archives separately from Coll. 046, or they may have gotten separated from the collection later during use. They appear to be primarily images used in various publications, including newspapers, magazines, or the publications of the organizations listed in this finding aid. They have now been restored to the context in which they were created.

Subseries D. Chamber of Commerce Presidents Oversized Portrait Photographs: Documenting nineteen (19) former presidents of the Chamber, from 1895 to 1946, these images are arranged alphabetically by the last name of the president, and giving the years served.
