Biographical / Historical

Felix W. Latzek (1895-7/30/1977) was a former Union Bank and Trust Co. manager and part-time funeral director. The Latzek Funeral Home was founded by Felix's father, Frank. Initially, the elder Latzek worked undertaker while Felix was the clerk. Felix also was the co-owner of the Derezinski Funeral Home with Chester L. Derezinski, but that business closed in 1974. He served in the U.S. Navy from 1917-1921. Felix was involved in several veteran's groups such as the Catholic War Veterans and the Catholic Order of Foresters.

Series I. Record Ledger Books

Scope and Contents

Subseries A. Books with date range 1903-1931. Includes volumes 1-5, for dates 1903 to 1921. There are some gaps in the dates between volumes, which may indicate missing information, or a vacation period for the firm, or other unknown reason.

Note the missing pages from vol. 1, pgs. 7-82.

Subseries B. Books with date range 1912-1961. Includes volumes 6-10, for dates 1912-1961. Generally, the dates appear to suggest a comprehensive run of records for this series.

Series II. Correspondence, Invoices, etc.

Scope and Contents

Arranged by volume where the materials were found, and alphabetical by last name under the volume, giving the specific page where found.

This series includes correspondence, invoices and ephemera related to the burial of only a portion of the deceased. These items were previously stapled to the pages for the individual with whom they were associated. However, this practice was damaging to the items themselves, as well of the record book page, and are being removed for placement in archival folders.

As these are added to this collection, they will be listed by the record volume where found first, and then alphabetically by the name of the deceased.
