Summary Information

| | |
|--|--|
| Repository: | Grand Rapids History Center |
| Title: | Grand Rapids Public Library scrapbook collection |
| ID: | Collection 239 |
| ID [Archivists Toolkit Database::RESOURCE]: | 247 |
| Date: | no date |
| Physical Description: | 83.2 Linear Feet Over 100 boxes |
| Language of the Material: | English . |
| Abstract: | This is a general collection created to document those scrapbooks which are not otherwise part of a separate archival collection of an individual or organization. Included are scrapbooks created by early staff of the library, as well as those created and given by others. Scrapbooks in this collection may contain original objects, as collected by the author/creator, or they may be photocopies obtained in lieu of the original from a donor. Many original scrapbooks have been photocopied and some microfilmed to provide usage of the information without damage to the fragile original materials. Some scrapbooks have an index included with the item. However, there is no overall index to the contents. Some scrapbooks provide access to articles in Grand Rapids newspapers which would be otherwise difficult to locate on the newspaper preservation microfilm, due to the lack of indexing. |

[^ Return to Table of Contents](#)

Arrangement

Most scrapbooks have not been given a formal title by their creator. The description given to these items by staff often combine the subject matter, date and creators name. Since the titles are generic, alphabetical order is not as meaningful as with formally titled materials.

Instead, the scrapbooks have been arranged in broad subject areas, with the subject areas falling in alphabetical order. Some additional access is provided by cross references and through the box list.

- scrapbooks

General

This finding aid currently provides broad information on a portion of the scrapbooks available in the department.

A staff management database attempts to be more comprehensive, including all scrapbooks discovered in all archival collections. This file contains some additional information on each scrapbook, including the accession and collection numbers, physical condition notes, the existence of user photocopies or microfilm and notes on the contents.

Physical Location: Due to its size, this box is out of numerical order. It is on the shelf with Box 58; 17-A-3.

Biographical / Historical

The Grand Rapids Street Railway company won the Charles A. Coffin Medal at the Cleveland convention of the American Electric Railway association in 1927. Louis J. DeLamarter was the vice-president and general manager of the Grand Rapids Railroad Company at the time. Coffin was the first CEO of General Electric and upon his retirement, the GE Co. established the award in his memory to recognize outstanding achievement in electric railway advancement.
