The Pioneer (South High School, Grand Rapids) [School Yearbooks]	
<u>Immediate Source of Acquisition:</u> Immediate Source of Acquisition	
2007.064	

Biographical / Historical

Gerald Ford is believed to attended during the years included, as a junior high student or high school student. For additional copies see Coll. 316, the Grand Rapids High Schools Collection. Yearbook Series. According to the official record, Gerald Ford attended South High School from 1927 to 1931, making this yearbook one year too early for a Gerald R. Ford, Jr. association. However, pg. 66, Home Room 203 for the Seventh Grade, lists "Ford, Jumion", which may be "Ford, Junior", misread during transcription. Also, the inside back cover, near the top right, has a signature which appears to read "Junior Ford."

Has a cartoon of a couple walking across a snowy street, looking at a couple of men with an overheating auto, and a bus on the street. The couple: "We are wise not to use our car and let it stand out while we go to the show." Most of the damage is too either end of each board, which had a Keith or a Regent Theatre add on either end. All three boards appear to be duplicates and all appear to have similar damage. Saving for possible future real conservation, through funding from an interested donor.
